

Chantal Cavenel
Painter Fashion Designer Composer Director of Musical Moving Paintings -
AvaPoam Studio - Saint Paul de Vence - -France

Chantal Cavenel, visual artist at the Maison des Artistes at Paris, member of the AIAP Unesco de Monaco and the Cercle des Artistes de Saint Paul de Vence, CNC editor, producer of audiovisual clips whose credits are “Musical Moving Paintings” a contemporary musical and visual art animated. She displays paintings creations, CDs and installations HD DVDs.

Contemporary Chantal Cavenel tool is digital because she questions the interaction between image and sound. Through its digital graphic designs set in motion and musical compositions, she designs symbolic overtones and sensory universe she called “Musical Moving Paintings” to animate the spaces and create the beautiful. Her artistic intention is to promote the innovative concept of Musical Moving Paintings, an innovative musical and graphic art animated by digital technology to create symbolic movements. Her approach is to propose and create exhibitions and audiovisual installations with her graphic and musical artistic creations in order to make known an innovative art of the 21st century to animate large public or private spaces.

She adds sound to her paintings by installing an interactive MP3 box on the back that plays a symbolic composition for a visual and sound experience, an innovation called "Musical Painting"

She digitizes her paintings in HD and sublimates it on various fabrics to create unique designs of artistic clothing fashion. These models are authenticated as NFTs on OpenSea in the Metaverse Web 3
